

Konglish, 2012, Matthew Waterhouse, 1469786435, 9781469786438, iUniverse, 2012

Everything you ever wanted to know about teaching English in South Korea but were afraid to ask is contained within this book. Funny, fact filled and always informative, Konglish provides the necessary knowledge you need to make the right decisions. Jam packed with practical information, Konglish addresses all of the topics and taboos a prospective English teacher needs to know, from finding the right job and negotiating a favorable contract to individual chapters dedicated to the specific learning needs of different students. While other books focus solely on educational concerns, Konglish explores life outside of the classroom, providing you with an in-depth and often hilarious guide to Korean culture. Food, friendship, drinking, dating, religion, health and history are just some of the subjects discussed in detail. Konglish also goes where others fear to tread, exploring the underbelly of the Hermit Kingdom. Last but not least, Konglish looks at the embarrassing realities of life abroad, offering realistic advice on things like culture shock, social faux pas and learning the local language. As an added bonus, you'll learn how to order dog soup, avoid squat toilets, and say no to lice-infested accommodation. Written by Matthew Waterhouse, a qualified elementary teacher who's been through the belly of the beast, Konglish is an irreverent and insightful survival guide for anyone brave enough to try their hand at teaching English in incredible South Korea.
